Ceremonies

Outdoor ceremonies with a back-up wet weather plan

Say your vows beneath open skies with sweeping views of the Purbeck Hills and soft glimpses of Poole Harbour beyond. At Festival Weddings at Brenscombe, outdoor ceremonies are beautifully natural, effortlessly romantic, and entirely your own.

Licensed for legal ceremonies and perfect for celebrant-led celebrations, Brenscombe's field space is wrapped in fields with woodland edges to offer a breathtaking Dorset backdrop for your "I dos". With exclusive use of the venue and an under cover back-up option of our two sided Field Barn with the same views, you can relax knowing your day will unfold seamlessly, whatever the weather.

Here, your ceremony flows gently into drinks, dining and dancing — creating a relaxed, bohemian-luxe beginning to an unforgettable wedding weekend

Bar & Cocktail Hour

Our fully staffed and stocked bar is run by the much-loved *Booze Tea Club*, serving all your classic favourites alongside their signature tea-infused cocktails and mocktails.

Expect bold drinks, deep vibes and very good times.

Choose the style that suits your celebration - pay as you go, a bespoke pre-paid drinks package, a token system, or a combination of all three. However you do it, sips about to go down!

A cocktail hour has become a firm favourite with our couples - effortlessly chic and perfectly setting the tone for what's to come. You can even design a personalised cocktail menu, with one cocktail for each of you and one created just for you as a couple.

Let the drinks flow and the good times roll.

Whether gathered around the fire pit, chatting in the courtyard, soaking up the sun in the field or toasting beneath the tipis, guests can unwind and savour delicious drinks as the sun dips over the Purbeck Hills - all set against the stunning Dorset countryside.

Dining under canvas

Feast in style beneath the ambient canopy of Mocha Big Hat Tipis, or any marquee of your choice - a truly atmospheric setting for your wedding breakfast for *Festival Weddings at Brenscombe*. With space for long, rustic tables and beautiful décor woven through the canvas, these tipis bring your celebration together in a way that feels both relaxed and refined.

The tipis create a light-filled, loungelike dining space that flows effortlessly from your ceremony and cocktail hour into dinner and toasts. Choose your favourite caterers and menu to reflect your tastes, whether that's a sit-down feast, family-style sharing boards or more festival-inspired fare - all framed by flickering fairy lights, natural textures and the rolling Purbeck Hills just beyond.

Under these elegant canvas peaks, your meal becomes part of the over aesthetic of your celebration - intimate, joyful and unforgettable in its bohemian-luxe charm.

Dancing in Disco Barn

When the sun dips behind the Purbeck Hills and the feast winds down, it's time to move the celebration indoors — to the beloved Disco Barn. Affectionately named and brimming with character, this converted stone barn is your evening heartbeat, where the party continues and the dance floor comes alive.

Under soft lighting and surrounded by rustic charm, guests can let loose and dance until midnight, with your choice of DJ or live music setting the tone. The barn's warm, intimate atmosphere feels both relaxed and electric, there's even a mezzanine for your DJ for those Ibiza vibes - the perfect space to share laughter, shine on the dance floor and make memories that last long after the last song fades.

From first dance to final track, the Disco Barn turns your wedding night into a celebration everyone will remember.

Gather around the fire

At the heart of Brenscombe lies the courtyard - an effortlessly atmospheric space designed for relaxed moments and magical evenings. This is where Little Hat Tipis nestle beautifully, creating cosy pockets for lounging, mingling, photo booths, and late-night chats under softly glowing lights.

As the fire pit flickers into life, guests gather for fireside drinks, wrapped in warmth, laughter and easy conversation. It's the perfect setting for toasted marshmallows and nostalgic s'mores, shared beneath open skies as the night gently unfolds.

Whether you're sipping boozy hot chocolate by the fire, chatting with loved ones or simply soaking up the ambience, the courtyard brings an intimate, bohemian-luxe charm to your wedding weekend - relaxed, romantic and unforgettable.

Guest Facilities

Brenscombe makes comfort effortless without compromising style. A separate courtyard houses well-appointed toilets for all guests, keeping practical needs discreetly tucked away from your celebration spaces.

For couples and guests choosing to camp, there are also private showers available, so everyone can freshen up and enjoy the festivities in comfort.

Accommodation

Stay the whole weekend and make the most of your celebration at Brenscombe. With accommodation for almost 200 guests across the beautiful farmhouse, dairy house and characterful barns, everyone can settle in and enjoy the experience without needing to go anywhere else.

There's also a dedicated camping field for tents, campers and bell tent villages — perfect for festival-style stays under the stars.

The farmhouse and dairy house offer gorgeous spaces for getting ready on the morning of your wedding..

And to round off your weekend in style, enjoy a cooked breakfast on Sunday morning - the perfect, unhurried farewell after a night of celebrating.
